

eco pen club

Our mission

Stationery that helps reduce plastic waste

We offer a range of eco-friendly
stationery for the eco-conscious customer

Who we are

Two Sydney-based founders trying to make a difference

A side-hustle turned into a full passion project, eco pen club was founded in 2019 due to the lack of sustainable stationery alternatives available.

Lewis

Tristan

Our values

We are an ethical & social enterprise that applies our values to the business and our amazing customers

Compostable & recyclable

Environmentally sustainable

Carbon neutral end-to-end

Plant trees for every order

Locally sourced manufacturing

Market driven & customer centric

How we plant trees

For every order made, we donate at least one tree
By partnering with Ecologi, One Tree Planted & The Eden Project, we are able support reforestation in both Australia & poverty stricken countries.

You can view what projects we've funded this month by visiting our [Ecologi donation profile](#)

Over 500 trees planted so far!

Case Study

Go for Zero online store

Go for zero has had great results selling our products online and in stores. Their first order sold out in a few days and have already made a further two larger orders since then!
